Newton Villa

Newton Villa estate contained the ~~same~~ area
as now. It only took South & West country.
The garden of Newton House was much
the same garden of the late Kinnaird house.

There was a general clearing down to the
river in 1847 & 1848. In 367 no but
water continued on the river bank from
L. 407. The river in 410 to 411.
The river was in 410 to 411.
The river was in 410 to 411.

The river as flows ~~partly~~ in low pool
200-300 ft. across. It is a low pool
of the river (from the river)

The river was in 1837 near
to Gt. Kinnaird 1851 to Gt. Kinnaird 1871

For fauna see the low pool
It is badly perished
